

The Berne Institute

TA ADULT EDUCATION PROGRAMME

' LIVING TA'

Following a successful pilot term, we are very pleased to be offering a new group from October 2018, focussing on personal development and the application of TA to everyday life and the wider community. Members will have the opportunity to reflect on and analyse their personal and/or professional lives, their relationships, their Life Script and how TA gives us theories to help understand who we really are. Each session will focus on a topic e.g. Relationships, Decision Making, Communication, Change... with both didactic teaching and group input, emphasising growth and mutual learning.

We welcome applications from anyone who has already completed a two-day TA101 or Foundation Year and would like to continue exploring TA. It will be led by **Debbie Jelpke PTSTA(P)** and **Annette Terry PTSTA(P)**.

The group will meet for one full day on a Thursday, between 10am and 5pm, from October 2018 to July 2019 (break in December). Maximum group size will be 15 people. **You can attend for a single day, several days, or the whole course.**

Cost: £630 for all nine sessions (£70/day) or £75 per session

To book: Call The Berne (**01509 673649**) or use the contact form at theberne.com.
