TA AT THE 11TH HOUR – THE CHALLENGES OF THE 21ST CENTURY

With John Heath TSTA(P)

An exploration of what the world needs from TA now, as we face the consequences of climate change and all that comes with it. This seminar is my call to action for TA practitioners. I don't claim to have the answers but I do want to help start the conversation about what we might do as therapists, counsellors, educators and consultants.
